

PARTS

Genuine P&H® Parts and OEM parts for ALL Crane Brands

P&H products are backed by over 125 years of OEM expertise in heavy industry and nearly a half century of nuclear crane experience. That is why we have made the support of these products a top priority. Our parts are supported by ISO 9001 Certified manufacturing that employ NQA-1 and 10CFR50 Appendix B quality control programs, a seasoned nuclear engineering group, warehouse and distribution facilities as well as critical-mass purchasing power. You can be assured that your replacement parts are the same quality as the original and can include design improvements other suppliers cannot offer. We offer a wide range of support for all your parts needs.

- Genuine P&H® parts
- OEM parts for all brands and makes of overhead cranes and hoists
- Re-engineered parts
- Commodity and consumable parts (wire ropes, contactors, brakes, etc.)
- Remanufactured parts (motor rewinds, brakes, etc.)

PARTS

Spare Parts Programs

Our Custom Spare Parts Program can eliminate unexpected downtime. Working closely with you, we develop a specific plan to ensure your stocking requirements are met efficiently and effectively to eliminate unexpected downtime

Pre-outage evaluation (parts analyzation)

- Identify critical components
- Identify obsolete parts and provide a list of recommended replacements
- Identify potential safety non-compliance issues and provide a recommended course of action
- 24 hour/365 Emergency Breakdown replacement

Nuclear material handling applications are serious business.

Our quality control program ensures that P&H nuclear cranes and components are designed to meet or exceed all mandated standards.

- Our manufacturing facilities are ISO 9001 Certified
- Our equipment is 10CFR50 Appendix B and NQA-1 Compliant
- We comply with the requirements of NUREG 0554, NUREG 0612, NOG and NUM.
- All welding is completed by AWS certified welders
- We have in-house NDE capability

We are committed to becoming an integral part of your operations and key processes by providing complete life cycle care to reduce your total cost of ownership by improving productivity and safety. Morris Material Handling is your **SOLE SOURCE SUPPLIER** for equipment, modernizations, and services. You can depend on us.
