Whether you're dealing with a catastrophic failure or simply a tight schedule, Morris Material Handling **VIP and MVP** expedited add-on services are available to help get you **back up and running as quickly as possible**.

VIP Expedited Service:

- Available for manufactured and purchased parts.
- Reduces the normal lead-time **by 50%**.
- **VIP Expedited Service** fee is list price plus 25%.
- Certain minimum charges may apply. Ask for details.

MVP Expedited Service:

- Available for manufactured parts only.
- Reduces the normal lead-time **by 75%**.
- **MVP Expedited Service** fee is list price plus 50%.
- Certain minimum charges may apply. Ask for details.

Some restrictions may apply to certain VIP and MVP expedited service orders. Call **800-PARTS-PH** to ask a Morris customer service representative if VIP and MVP services are available on your order.

VIP Expedited Service Saves Time & Revenue for Coal Producer

"We had a catastrophic failure on our Acco-Wright overhead crane that shut us down. I immediately called Morris Material Handling as they have always given me good prices and excellent service. Morris had the item I needed in stock and was able to expedite our parts order with their VIP expedited service and had us up and running within two days. Morris and its VIP service saved us a great deal of time and money."
